References: Document MAA1-10009-1

A DPD/MBD System Survey has been completed at your facility. The results of the survey indicate that your Company has a DPD/MBD System capable of contract compliance; therefore, your DPD/MBD System is approved. This approval is based in part on your Quality Assurance documentation and continued adherence to that documentation. You are requested to transmit to the undersigned a copy of subsequent revisions to your DPD/MBD Quality Assurance documentation immediately upon release to comply with the requirements in your DPD/MBD Quality Assurance Plan. Additionally, if such revisions do not satisfy the intent of Section 2 of the referenced documents, Spirit AeroSystems, Inc. retains the right of disapproval.

Assignment of this approval does not in itself constitute a waiver of the requirements for inspections, tests or other provisions of the contract, nor does it guarantee acceptance of articles produced. This approval may not be reproduced for advertising or sales purposes and if so used is subject to cancellation.

Your system is approved at the DPD/MBD level. Any changes in software utilized for DPD/MBD activities will require further review by a Spirit AeroSystems representative.

Your approved Catia Software:  
Catia V5 MBD Version - V5-6 2025

Your approved method of Translation:  
Local Translation Software - Alphacam Ver. 2025 Rev. 3.0.103

Your approved CMS Equipment: Portable CMM, Laser Scanner

Matters concerning your DPD/MBD Quality Assurance System will be the responsibility of the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read 'Gary Muir', written in a cursive style.
